The Miami Division is cognizant of subject and his "right wing" philosophies and also aware of the organization known as Nationalist White Party. Investigation re the NWP is being instituted in Miami file 157-4180.

Background re subject has previously been developed and is contained in instant file. Subject was formerly a state representative in the Florida Legislature and reportedly is quite wealthy inasmuch as he is receiving royalties from his invention and/or perfection of the electric can opener.

b2
b7D [REDACTED] has been in mail contact with KLASSEN re NWP; however, according to source there has been no personal or telephonic contact; nor has there been any notification of meetings or propaganda or literature distributed concerning this organization since source associated thereto.

It is not believed that interview of KLASSEN is deemed appropriate at this time; however, same is being considered, particularly contingent upon results of investigation that may be determined concerning NWP. It is also noted that the Assistant Director of the NWP is a close friend of subject, AUSTIN DAVIS, who is also subject of a Miami file and is known to this division.

This matter is being kept pending contingent upon results of other investigation which may or may not necessitate interview of subject.

OUR CREED

FOURTEEN POINTS

POINT 1.

We believe that the White Race was created in the Image of the Lord, and represents His noblest and loftiest creation. Whereas, the first and foremost of God's Natural Laws is the preservation and propagation of the species, we believe that in preserving and protecting the White Race from pollution, mongrelization and extinction, and promoting its constant improvement and increase, we are carrying forward the work of the Lord.

POINT 2.

The White Race is now in mortal danger of being mongrelized and enslaved by a diabolical world-wide conspiracy. This treacherous program is set forth in the Protocols of the Elders of Zion, in the Jewish Talmud and in Karl Marx's Communist Manifesto. At the root of this whole deadly conspiracy is the International Jew. COMMUNISM IS JEWISH. The Jew has been a blood-sucking parasite on the backs of the White people since the dawn of history, promoting the collapse and destruction of every civilization the White man has ever built. The White Race has now become the most persecuted, abused, plundered and mistreated people on the face of the earth. It is an appalling fact that the White people of America alone, who have never known military defeat, have been forced by their treacherous Jewish controlled government under the pretext of foreign aid, welfare, and other hoaxes to pay more tribute to hostile colored races at home and abroad than all the vanquished peoples of the earth have paid to their conquerors. The White man has lost control of his land, his government, his schools and his money. He cannot even get basic justice in the courts of America. On the contrary, the courts are now being used as a tyrannical instrument for the subjugation and destruction of the White Race.

We are engaged in a vicious battle for life and death against Bolshevist Judaism. It is a fight we cannot escape. We do not wish to avoid it. We wish to make sure the sides are squarely lined up and the enemy clearly identified. Once we have done this much, the battle is practically won.

It is our sacred determination to drive the Jew from all vestiges of power and influence, first in America, and finally, render him harmless in, and to the whole family of White nations throughout the world.

POINT 3.

America was founded and built by the White Race. THIS LAND IS OURS. We are determined to have it remain so forever. We will allow only members of the White Race to become citizens of America. This excludes members of the Jewish race and the Black race. Only American citizens will be allowed to hold public office and positions in governments. Only American citizens will be allowed in the professions, in banking, in the judiciary, in the news media, in radio and television, and in positions of education and cultural leadership.

POINT 4.

Since the African Negroes were brought to America as slaves, largely by Jewish slave traders, they have been a serious problem to White America, and a spreading cancer in our midst, greatly aggravated by the Jewish drive to mongrelize the White Race. Their presence here in America is a dire threat to the very survival of the White Race itself. Under the present course of events, America will be a polluted brown mongrelized mass of riff raff and scum by the end of the century, reduced to a level of degradation where our White civilization will collapse. We are determined this must not happen to God's finest and noblest creation — the White Race.

This precious land was conquered and wrested from the wilderness at great sacrifice of blood and toil by our pioneering White ancestors. Having won this precious land, we are not now about to flee and abandon our sacred soil to a vastly inferior race, the African Negro. We are therefore determined to carry out Abraham Lincoln's plan, the repatriation of the black man back to his native Africa, the homeland from whence he was forcefully torn. This resettlement of the black man to the underpopulated black countries of Africa will be carried out with just compensation and in such a manner as to increase the economic viability of the resettlement areas.

POINT 5.

Not only must the White Race guard against pollution of its blood from the inside but by immigration from the outside as well. We plan to change the immigration laws to prevent any further colored masses from migrating into our land, or mixing into our national blood stream. We are therefore determined to strictly control immigration, and limit it to people of the White Race only.

POINT 6.

We look upon the family unit as a most sacred institution and the building block of our civilization. We believe that all possible measures must be instituted to safeguard and sanctify the family as a continuous chain in the life of our race. We must first of all make it financially more feasible for young couples to marry at an earlier age. Secondly, we must reduce the awful burden of excessive taxation, which discourages large and healthy families.

We believe that the children belong to the parents and not to the state and that it is the parents' responsibility in giving their children their ideology and orientation in their early formative years.

Our founding fathers had the healthy instincts and the good sense to institute laws against miscegenation. These laws are now being struck down by our Jewish controlled Supreme Court to further the insane Jewish drive to mongrelize the White Race. We must again institute strict racial laws against mixed marriages, and again have our people realize that he who sins against the blood of his own race commits the crime of racial blood poisoning, a dastardly crime, the consequences of which can never be fully erased.

We believe that once the working White family is relieved of supporting millions of black parasites, that all those women who would prefer devoting their time to home and family, will be able to do so. We must, in any case, stop the present insane program of the White husband and wife both having to work so that the Negroes can live on welfare, breeding increasing numbers of parasites to further burden the productive White workers. Not only is the present situation shrinking the size of the White family, but we are participating in our own racial suicide. This must stop, and repatriation of the Negro back to Africa is a major constructive step in this direction.

POINT 7.

We believe that the productive White American worker is the backbone of the nation and its greatest strength. He is entitled to the protection of social legislation in his work, in sickness and in old age. His unions should have the honest constructive leadership that he deserves and his work should receive the reward, the dignity of recognition, that he has so well earned.

The unions now are in the control of Jews who exploit the workers, manipulate the unions for political ends harmful to the White worker, discriminate against capable White workers, and promote the interests of incompetent blacks. We will therefore make it mandatory that no Jew can exercise any control or hold office in any labor union.

POINT 8.

A basic strength of any nation is in the number of farmers who till the soil. Not only do the farmers produce the nation's food and fibre, but also greatly fortify the strength of our White racial stock. We intend to protect the farmer from cheap foreign competition. We intend to have a program to encourage more people to return to the land. We intend to reverse the trend of larger and larger farms in the hands of fewer and fewer large operators. Our American soil is sacred and no one but the White American will be allowed to own farm land.

POINT 9.

Expanding prosperity and greater stability for America are augmented by encouraging a larger group of individuals in acquiring a personal stake in their own small private businesses. It is our objective to promote a broader base for small privately owned enterprises and professions, since this has been the foundation of the economic health and mercantile expansion of America. Emphasis will be placed on promoting the interest and well being of millions of family owned businesses and preventing the monopolization of business by corporate giants.

We are determined to free the economy of continued manipulation by the clique of international bankers and the perennial uncertainty created by such manipulations. We want to create stability and confidence. We are firmly resolved to relieve business of the oppressive regulations and restrictive measures that stifle economic life.

POINT 10.

Our money system is now in the hands of the Federal Reserve which in turn is in the hands of the International Jewish bankers. Every dollar that is printed accrues to the benefit of the International Bankers who acquire it free of charge, except for small printing expenses. It is then loaned out to the American people, who then are yoked to paying interest forever on their own medium of exchange. This is the most gruesome and powerful tool in the hands of the Jews for the enslavement of nations. We are determined to forever abolish the Federal Reserve Board, and to have the Government (in the hands of White people) issue the nation's money, interest free. This is what the Constitution calls for and this is what Abraham Lincoln briefly accomplished during the Civil War. For this reason, the Jews had Abraham Lincoln assassinated.

POINT 11.

The White man has for centuries brought law, order and civilization to every corner of the world and ruled over 90% of its area. However, the last few decades have seen the culmination of the International Jewish conspiracy and the White man is now in full retreat all over the world. In the last two generations, the ratio of the colored population to White has mushroomed from 2 to 1 to an alarming 7 to 1, a suicidal catastrophe often aided and abetted by misguided White "humanitarians" in collaboration with the Jew's program. This trend must and will be reversed by a cessation of White aid to the colored and instead the White Race banding together to promote their own interests.

On the international scene, we envision an expanding family of independent White nations, friendly in the exchange of trade and culture and rallying together for mutual benefit and protection in times of danger. We will preach "White Power through White Unity" and once America has freed itself from the clutches of International Jewry the American White people must help rid the rest of its White brother nations from the same scourge; otherwise we will again become victim of the same cancer from the outside. The United States is now the only nation powerful enough to dislodge the Jew from its national body. The power of the International Jew must be broken once and for all. Never again must the family of White nations let the Jew dupe them into fighting fratricidal wars, White brother killing White brother. Once awakened and organized, the White Race is the most powerful force on the face of the earth and never again shall the Jew enslave, plunder, and put into bondage the Creators of civilization, culture and beauty.

POINT 12.

It is our objective to raise the cultural, ethical and moral values of White America to ever greater heights and finer values. We must promote the teaching of the value of our White racial heritage, the unique value of our blood lines, that race is all and that the survival of culture and civilization is dependent upon its creator — the White Race. This must be strongly instilled into the minds of our children throughout their formative years, and promoted in our educational systems from kindergarten through college. We must keep impressing upon the mind of every child, every adult, the ideals of "Racial Loyalty, Racial Pride, and Racial Unity." Also, our news media, theatre, radio, and television must be utilized to impress this great truth upon the White people of America so that never again will the White Man's thinking be sabotaged and subverted for his own destruction.

POINT 13.

Every law that is passed, every action that is taken will have this as its basic and only consideration: Will it benefit the White Race? This is the guiding principle of our movement.

POINT 14.

Gaining the above objectives is a matter of life and death for our people, the White racial family. Unless we drive the Jew from power and have our people again in control of the American government, we are hopelessly lost. But we, the White people, can and must get control of government. We have overwhelming power. The task is clear and it is attainable. After all, we the White people, outnumber the Jews 30 to 1. Once aroused and united in purpose, the White man can and will outfight any other on the face of the earth. The Germans proved that.

Having realized these fundamental truths, our people must again be inspired to a fervent, resolute will to power, to an unshakeable faith in their ability to gain that power and a fiery determination to again be masters of their own destiny. We must exalt and glorify our White heritage and instill Racial Pride. This is the true task and ideological objective of the Nationalist White Party.

We have therefore set forth a new creed in which White men can again have hope and confidence, a program that is designed for nothing less than victory. We have raised a standard around which all brave and decent White men can rally to battle. We have organized a party all White Americans of honor can be proud to be part of. We have hurled a symbol of power into the political arena — White Power. We have brought forth the highest cause to which men can truly dedicate their lives, their fortune and their sacred honor — and this, the noblest of all causes, is the preservation and advancement of their own people — the White Race.

We must therefore make every White man conscious of where his true loyalty lies — with his own racial family, his own people. We intend to field an increasing number of political candidates every year until we are in power. We must make every political candidate face the crucial acid test — is he on the side of the White race or is he on the side of the Jews and the Negroes? We intend to force every candidate to take sides. Just as the Jews and the Negroes have bloc voted for years, the White man must bloc vote for the loyal White candidates. Every candidate must stand exposed — is he loyal to the White Race or is he a race traitor? And woe to him that is a race traitor. White Man — Unite and Fight! Victory is Certain.

OUR INSIGNIA — WHAT IT MEANS

The Crown over the "W" signifies that our White Race is the Aristocrat of all races and is the Creator's crowning glory. It is a symbol of White Supremacy; that we are the Master Race.

The Halo signifies that we regard our White Heritage and Blood Lines as a divine trust and that it is our eternal mission to pass this sacred heritage on to future generations, pure and unimpaired.

b7C [REDACTED]
[REDACTED] plans to fly to Arlington from Titusville, Florida, via Eastern Airlines, leaving Saturday, September 4, sometime during the morning. [REDACTED] and [REDACTED] will depart Tampa by air, probably the same day. [REDACTED] and [REDACTED] are expected to drive to Arlington.

[REDACTED] and [REDACTED] have made arrangements to stay together while in Arlington, probably at a motel called "King Arthur Court," or a motel with a similar sounding name. This motel is supposedly located near the NSWPP meeting place. They intend to rent an automobile for their use while in Arlington.

b7C [REDACTED] is not pushing the Nationalist White Party (NWP) any more. It is believed that this organization is completely defunct in the Tampa Bay area. [REDACTED] was unable to drum up any support for the NWP. Even [REDACTED] who became interested in the group, has quit talking about it and has said he is no longer interested in the NWP. He says his heart has always been with the NSWPP and its policies.

b7C According to reliable reports, both [REDACTED] and [REDACTED] have been criticized by NSWPP headquarters recently for not playing a more active role in promoting the NSWPP in their areas. [REDACTED] has been active in Englewood, disseminating NSWPP-printed flyers and publications.

BEN KLASSEN is a very wealthy person. He is a graduate engineer and receives considerable money from royalties from an invention used in the manufacture of electric can openers. He owns considerable property in the State of Florida ~~none~~ of which he has subdivided and sells in lots on a time payment plan similar to the operations used by the large land development companies in Florida. This real estate business is handled through the Pines and Palms Ranches, Inc., of which KLASSEN is president. His office is located at 894 North Federal Highway, Pompano Beach, Florida.

FOIA

AUSTIN DAVIS, who was employed by Pines and Palms as vice president, recently purchased a large portion of land from KLASSEN and is dividing and selling that land on his own. Pines and Palms Ranches, therefore, is at the present time, a one man operation.

KLASSEN, who claims to have been born in Russia, spends most of his time and efforts in various "right wing" causes. He is a former Florida State Legislator. He owns and operates an "American Opinion Bookstore" located adjacent to his real estate business and through this bookstore he sells all types of right wing literature. He receives many right wing newsletters and publications.

KLASSEN feels the white Christians of the United States are being victimized by Jews and that Jews are behind the Communist, black militants, young revolutionist, and other radical groups with the intent of eventually overthrowing the United States Government, and establishing themselves as leaders of the government. He feels the white Christians are apathetic, unorganized, and ignorant to the problem created by the Jews and he is attempting to arouse the white Christians in order to save the United States. He believes HITLER was a very intelligent person who recognized the problem the Jews presented and his downfall was caused by the Jews with the assistance of Christian traders.

KLASSEN also feels the Negroes are inferior to white and he is opposed to all forms of integration, but fears the Jews more.

Late in 1970, KLASSEN formed an organization called the "Nationalist White Party", and he intends to use it as a means to alert and arouse the white Christians. This organization was formed by himself with the assistance of AUSTIN DAVIS, JR. He named himself National Director and DAVIS as Assistant Director. This organization never did actually get off the ground and ~~its~~ practical purposes never did anything other than supply some literature. Some memberships to the Nationalist White Party were accepted for people in Florida, namely from the Jacksonville and Tampa area. There have been only three applications received by KLASSEN since June, 1971. There is no chapter presently active and no meetings are held any place in Florida.

Not
a
FOIA
Exemption

KLASSEN is currently writing a book in which he is expressing his ideas and philosophies. He expresses his opinion regarding the threat of Jews to the white Christians of the United States and the fact that they are the only real threat to the security of the United States. He has not yet selected a title for his book which is expected to be about 500 pages long which he hopes to have published within six months or a year. He has said he is disappointed in the ~~value~~ of the Nationalist White Party developed into a meaningful organization and has stated he is now devoting his full time to his book hoping that when published it will create a new interest in the Nationalist White Party which will grow into a significant organization.

DAVIS also has stated that the Nationalist White Party has never really been established and that it exists now in name only with no active membership or activities.

KLASSEN has also published one issue of a newsletter called "Racial Loyalty", which is described as a publication of the Nationalist White Party. This issue is dated 1970, and is described as Volume 1. This is the

only edition published and KLASSEN has several hundred undistributed copies on his bookstore.

KLASSEN is not involved in any local politics. He apparently seeks fault in one way or another with all right wing groups or leaders and that apparently was the reason he attempted to set up his own organization the Nationalist White Party.

AUSTIN DAVIS is a white male, 40 to 45 years old, who resides at Lighthouse Point, Florida, as does KLASSEN.

The mailing address of the Nationalist White Party is Post Office Box 5908, Lighthouse Point, Florida, 33064.

RE: NATIONALIST WHITE PARTY (NWP)
EXTREMIST MATTERS - WHITE HATE GROUPS

A source, who has furnished reliable information in the past, advised on March 16, 1971, that BEN KLASSEN of 884 North Federal Highway, Pompano Beach, Florida, is organizing a new group called the Nationalist White Party (NWP).

A second source, who has furnished reliable information in the past, reported on March 29, 1971, that BEN KLASSEN has formed a new organization. The source said that KLASSEN is a very wealthy individual who has expressed extreme hatred for Jews and Negroes.

A third source, on September 15, 1971, who has furnished reliable information in the past, furnished a copy of the Creed of the NWP. The following is a copy of this Creed:

Nationalist WHITE PARTY

BEN KLASSEN
National Director

OUR CREED

FOURTEEN POINTS

POINT 1.

We believe that the White Race was created in the Image of the Lord, and represents His noblest and loftiest creation. Whereas, the first and foremost of God's Natural Laws is the preservation and propogation of the species, we believe that in preserving and protecting the White Race from pollution, mongrelization and extinction, and promoting its constant improvement and increase, we are carrying forward the work of the Lord.

POINT 2.

The White Race is now in mortal danger of being mongrelized and enslaved by a diabolical world-wide conspiracy. This treacherous program is set forth in the Protocols of the Elders of Zion, in the Jewish Talmud and in Karl Marx's Communist Manifesto. At the root of this whole deadly conspiracy is the International Jew. COMMUNISM IS JEWISH: The Jew has been a blood-sucking parasite on the backs of the White people since the dawn of history, promoting the collapse and destruction of every civilization the White man has ever built. The White Race has now become the most persecuted, abused, plundered and mistreated people on the face of the earth. It is an appalling fact that the White people of America alone, who have never known military defeat, have been forced by their treacherous Jewish controlled government under the pretext of foreign aid, welfare, and other hoaxes to pay more tribute to hostile colored races at home and abroad than all the vanquished peoples of the earth have paid to their conquerors. The White man has lost control of his land, his government, his schools and his money. He cannot even get basic justice in the courts of America. On the contrary, the courts are now being used as a tyrannical instrument for the subjugation and destruction of the White Race.

We are engaged in a vicious battle of life and death against Bolshevist Jewry. It is a fight we cannot escape. We do not wish to avoid it. We wish to make sure the sides are squarely set up and the enemy clearly identified. Once we have done this much, the battle is practically won.

It is our sacred determination to drive the Jew from all vestiges of power and influence, first in America, and finally, render him harmless in, and to the whole family of White nations throughout the world.

POINT 3.

America was founded and built by the White Race. THIS LAND IS OURS. We are determined to have it remain so forever. We will allow only members of the White Race to become citizens of America. This excludes members of the Jewish race and the Black race. Only American citizens will be allowed to hold public office and positions in governments. Only American citizens will be allowed in the professions, in banking, in the judiciary, in the news media, in radio and television, and in positions of education and cultural leadership.

POINT 4.

Since the African Negroes were brought to America as slaves, largely by Jewish slave traders, they have been a serious problem to White America, and a spreading cancer in our midst, greatly aggravated by the Jewish drive to mongrelize the White Race. Their presence here in America is a dire threat to the very survival of the White Race itself. Under the present course of events, America will be a polluted brown mongrelized mass of riff raff and scum by the end of the century, reduced to a level of degradation where our White civilization will collapse. We are determined this must not happen to God's finest and noblest creation — the White Race.

This precious land was conquered and wrested from the wilderness at great sacrifice of blood and toil by our pioneering White ancestors. Having won this precious land, we are not now about to flee and abandon our sacred soil to a vastly inferior race, the African Negro. We are therefore determined to carry out Abraham Lincoln's plan, the repatriation of the black man back to his native Africa, the homeland from whence he was forcefully torn. This resettlement of the black man to the underpopulated black countries of Africa will be carried out with just compensation and in such a manner as to increase the economic viability of the resettlement areas.

POINT 5.

Not only must the White Race guard against pollution of its blood from the inside but by immigration from the outside as well. We plan to change the immigration laws to prevent any further colored masses from migrating into our land, or mixing into our national blood stream. We are therefore determined to strictly control immigration, and limit it to people of the White Race only.

POINT 6.

We look upon the family unit as a most sacred institution and the building block of our civilization. We believe that all possible measures must be instituted to safeguard and sanctify the family as a continuous chain in the life of our race. We must first of all make it financially more feasible for young couples to marry at an earlier age. Secondly, we must reduce the awful burden of excessive taxation, which discourages large and healthy families.

We believe that the children belong to the parents and not to the state and that it is the parents' responsibility in giving their children their ideology and orientation in their early formative years.

Our founding fathers had the healthy instincts and the good sense to institute laws against miscegenation. These laws are now being struck down by our Jewish controlled Supreme Court to further the insane Jewish drive to mongrelize the White Race. We must again institute strict racial laws against mixed marriages, and again have our people realize that he who sins against the blood of his own race commits the crime of racial blood poisoning, a dastardly crime, the consequences of which can never be fully erased.

We believe that once the working White family is relieved of supporting millions of black parasites, that all those women who would prefer devoting their time to home and family, will be able to do so. We must, in any case, stop the present insane program of the White husband and wife both having to work so that the Negroes can live on welfare, breeding increasing numbers of parasites to further burden the productive White workers. Not only is the present situation shrinking the size of the White family, but we are participating in our own racial suicide. This must stop, and repatriation of the Negro back to Africa is a major constructive step in this direction.

We believe that the productive White American worker is the backbone of the nation and its greatest strength. He is entitled to the protection of social legislation in his work, in sickness and in old age. His unions should have the honest constructive leadership that he deserves. His work should receive the reward, the dignity of recognition, that he has so well earned.

The unions now are in the control of Jews who exploit the workers, manipulate the unions for political ends harmful to the White worker, discriminate against capable White workers, and promote the interests of incompetent blacks. We will therefore make it mandatory that no Jew can exercise any control or hold office in any labor union.

POINT 8.

A basic strength of any nation is in the number of farmers who till the soil. Not only do the farmers produce the nation's food and fibre, but also greatly fortify the strength of our White racial stock. We intend to protect the farmer from cheap foreign competition. We intend to have a program to encourage more people to return to the land. We intend to reverse the trend of larger and larger farms in the hands of fewer and fewer large operators. Our American soil is sacred and no one but the White American will be allowed to own farm land.

POINT 9.

Expanding prosperity and greater stability for America are augmented by encouraging a larger group of individuals in acquiring a personal stake in their own small private businesses. It is our objective to promote a broader base for small privately owned enterprises and professions, since this has been the foundation of the economic health and mercantile expansion of America. Emphasis will be placed on promoting the interest and well being of millions of family owned businesses and preventing the monopolization of business by corporate giants.

We are determined to free the economy of continued manipulation by the clique of international bankers and the perennial uncertainty created by such manipulations. We want to create stability and confidence. We are firmly resolved to relieve business of the oppressive regulations and restrictive measures that stifle economic life.

POINT 10.

Our money system is now in the hands of the Federal Reserve which in turn is in the hands of the International Jewish bankers. Every dollar that is printed accrues to the benefit of the International Bankers who acquire it free of charge, except for small printing expenses. It is then loaned out to the American people, who then are yoked to paying interest forever on their own medium of exchange. This is the most gruesome and powerful tool in the hands of the Jews for the enslavement of nations. We are determined to forever abolish the Federal Reserve Board, and to have the Government (in the hands of White people) issue the nation's money, interest free. This is what the Constitution calls for and this is what Abraham Lincoln briefly accomplished during the Civil War. For this reason, the Jews had Abraham Lincoln assassinated.

POINT 11.

The White man has for centuries brought law, order and civilization to every corner of the world and ruled over 90% of its area. However, the last few decades have seen the culmination of the International Jewish conspiracy and the White man is now in full retreat all over the world. In the last two generations, the ratio of the colored population to White has mushroomed from 2 to 1 to an alarming 7 to 1, a suicidal catastrophe often aided and abetted by misguided White "humanitarians" in collaboration with the Jew's program. This trend must and will be reversed by a cessation of White aid to the colored and instead the White Race banding together to promote their own interests.

On the international scene, we envision an expanding family of independent White nations, friendly in the exchange of trade and culture and rallying together for mutual benefit and protection in times of danger. We will preach "White Power through White Unity" and once America has freed itself from the clutches of International Jewry the American White people must help rid the rest of its White brother nations from the same scourge; otherwise we will again become victim of the same cancer from the outside. The United States is now the only nation powerful enough to dislodge the Jew from its national body. The power of the International Jew must be broken once and for all. Never again must the family of White nations let the Jew dupe them into fighting fratricidal wars, White brother killing White brother. Once awakened and organized, the White Race is the most powerful force on the face of the earth and never again shall the Jew enslave, plunder, and put into bondage the Creators of civilization, culture and beauty.

POINT 12.

It is our objective to raise the cultural, ethical and moral values of White America to ever greater heights and finer values. We must promote the teaching of the value of our White racial heritage, the unique value of our blood lines, that race is all and that the survival of culture and civilization is dependent upon its creator — the White Race. This must be strongly instilled into the minds of our children throughout their formative years, and promoted in our educational systems from kindergarten through college. We must keep impressing upon the mind of every child, every adult, the ideals of "Racial Loyalty, Racial Pride, and Racial Unity." Also, our news media, theatre, radio, and television must be utilized to impress this great truth upon the White people of America so that never again will the White Man's thinking be sabotaged and subverted for his own destruction.

POINT 13.

Every law that is passed, every action that is taken will have this as its basic and only consideration: Will it benefit the White Race? This is the guiding principle of our movement.

POINT 14.

Gaining the above objectives is a matter of life and death for our people, the White racial family. Unless we drive the Jew from power and have our people again in control of the American government, we are hopelessly lost. But we, the White people, can and must get control of government. We have overwhelming power. The task is clear and it is attainable. After all, we the White people, outnumber the Jews 30 to 1. Once aroused and united in purpose, the White man can and will outfight any other on the face of the earth. The Germans proved that.

Having realized these fundamental truths, our people must again be inspired to a fervent, resolute will to power, to an unshakeable faith in their ability to gain that power and a fiery determination to again be masters of their own destiny. We must exalt and glorify our White heritage and instill Racial Pride. This is the true task and ideological objective of the Nationalist White Party.

We have therefore set forth a new creed in which White men can again have hope and confidence, a program that is designed for nothing less than victory. We have raised a standard around which all brave and decent White men can rally to battle. We have organized a party all White Americans of honor can be proud to be part of. We have hurled a symbol of power into the political arena — White Power. We have brought forth the highest cause to which men can truly dedicate their lives, their fortune and their sacred honor — and this, the noblest of all causes, is the preservation and advancement of their own people — the White Race.

We must therefore make every White man conscious of where his true loyalty lies — with his own racial family, his own people. We intend to field an increasing number of political candidates every year until we are in power. We must make every political candidate face the crucial acid test — is he on the side of the White race or is he on the side of the Jews and the Negroes? We intend to force every candidate to take sides. Just as the Jews and the Negroes have bloc voted for years, the White man must bloc vote for the loyal White candidates. Every candidate must stand exposed — is he loyal to the White Race or is he a race traitor? And woe to him that is a race traitor. **White Man — Unite and Fight! Victory is Certain.**

OUR INSIGNIA — WHAT IT MEANS

The Crown over the "W" signifies that our White Race is the Aristocrat of all races and is the Creator's crowning glory. It is a symbol of White Supremacy; that we are the Master Race.

The Halo signifies that we regard our White Heritage and Blood Lines as a divine trust and that it is our eternal mission to pass this sacred heritage on to future generations, pure and unimpaired.

RE: NATIONALIST WHITE PARTY (NWP)

The third source on September 15, 1971, furnished a copy of a publication called "Racial Loyalty", which is described as a publication of the NWP, Volume I. This publication consists namely of "Fifty Phoney Arguments Used By Kosher Konservatives to Confuse Gentiles and Protect the Jews", by BEN KLASSEN and AUSTIN DAVIS. This is a four page publication. The fifty arguments include the following:

Russia is controlled by Jews and the Jews want Israel to become the central seat of a world government and the future home of the Jewish United Nations.

Communism is a Jewish concept of government... Communism is a Jewish creation, tool designed to enslave the world under a Jewish dictatorship.

Communism is a Jewish conspiracy created to destroy the White Race through mongrelization, annihilation, and degeneration.

Jews do not consider themselves as part of the White Race.

We must drive the Jews from power...in government, finances, education, and propaganda. In short, render them incapable of destroying us.

Jews control the news media in the United States and, therefore, do not report the tremendous power they have in the United States.

Jews are inferior to the White Race...but achieved their power through conspiracy, bribery, theft, murder, lies... by banning together in the fanatic hatred towards the White Race.

Jews are a race not a religion.

The only way to really fight the Jew is direct confrontation and all out warfare as FRANCO did successfully in Spain.

RE: NATIONALIST WHITE PARTY (NWP)

Jews are the original hate group.

Jews are the slave trader who brought Negroes to the United States and the Negroes should be returned to Africa.

HITLER did not kill 6,000,000 Jews and this misrepresentation has been extremely useful to the Jews.

Conservative organizations do a great harm when they do not expose Jews. Some are Jewish controlled so the Jews can have some control over the opposition. Jews are not God's chosen people. The chosen people were those Israelites who fulfilled the commandments and commandments of God. Those that did are Christians and were the chosen people not the Jews.

The third source, on June 15, 1971, described the membership card used by the NWP. He said this card states "This is to certify that _____ is a member of the NWP having pledged his loyalty to the creed of the party, the party itself and the White Race" On the bottom is the slogan "racial loyalty is basic to survival".

A fourth source reported on September 7, 1971, that late in 1970, BEN KLASSEN formed an organization called the NWP and intended to use it as a means to alert and arouse the white Christians. The organization was formed by himself and associate named AUSTIN DAVIS, JR. He named himself the National Director and DAVIS as the Assistant Director. The organization never did actually get off the ground and for all practical purposes never actually existed. Some membership applications were accepted from people in Florida, mainly from the Jacksonville and Tampa areas. There have been only three membership applications received since June, 1971. There is no chapter in existence and no meetings are held.

KLASSEN is currently writing a book showing his views which he hopes to have published within six months or a year. He is spending his full time and efforts on

RE: NATIONALIST WHITE PARTY (NWP)

this book. He has said that he is disappointed in the failure of the NWP to develop as a meaningful organization and hopes that when his book is published it will create a new interest in his organization.

AUSTIN DAVIS, according to this source, has also stated that the NWP has never really been established and exists in name only with no membership or activities. KLASSEN has several hundred undistributed copies of "Racial Loyalty" in his bookstore.

KLASSEN, who is a former state representative, apparently sees faults in all right wing organizations and for this reason he attempted to establish his own organization the NWP. The NWP has the mailing address of Post Office Box 5908, Lighthouse Point, Florida, 33064. The activities of the organization are directed through KLASSEN's place of business, Pines and Palms Ranches, Inc., 849 North Federal Highway, Pompano Beach, Florida.

The third source reported on June 15, 1971, and again on September 15, 1971, that the NWP is not meeting and has never held meetings in the Pompano Beach, Florida, area. It appears to be solely a propaganda organization which has not been very effective.

The second source reported on July 28, 1971, that the NWP as it was then existing in the St. Petersburg, Florida, area, was having no success in recruiting new members and does not appear that it will function in the St. Petersburg, Florida, area.

The first source reported on July 27, 1971, that it appears as if BEN KLASSEN has lost interest in the NWP.

The first source reported on August 20, 1971, that it appears that the NWP is defunct in the Tampa Bay, Florida, area.

RE: NATIONALIST WHITE PARTY (NWP)

The second source reported on August 24, 1971, the NWP does not exist as an organization in the Tampa Bay area of Florida.

A copy of this memorandum is being furnished to the United States Secret Service, Miami, Florida.

Dear Mr. Klassen:

This is to inform you of my resignation from the Nationalist White Party.

It was with much regret that I learned of your decision to initiate an attack against Christianity as part of the official party program. I submit that this new orientation will alienate the N.W.P., totally ineffectual in the struggle to awaken and mobilize our people.

Let me first state that my objections are not primarily based upon philosophical or religious considerations. Quite frankly, while I do not agree with your position in toto, I do think that you espoused some very interesting and thought-provoking arguments against aspects of Christian doctrine in your letters to Bel Shale.

Certainly, any doctrine which advocates or encourages an attitude of passivity towards one's enemies is reprehensible drivel. But whether or not such innate pacificism is indeed an actual intrinsic ingredient of Christianity is unclear. The meaning of the sermon on the Mount is, it would seem, indisputable. Yet anyone with even a rudimentary knowledge of history knows that Christendom has never faithfully adhered to those pacifistic exhortations. For example, the Church-sponsored Crusades of the eleventh, twelfth, and thirteenth centuries (during which, incidentally, a good number of Jews were executed by zealous Crusaders) were hardly exercises in "love thy enemy" mysticism.

I shall not, however, attempt in this letter to unravel the paradoxes of a rather enigmatic religion which has already given rise to hundreds of denominations and sects and, no doubt, thousands of personal interpretations. My point is that the interjection of religious squabbling into what is essentially, in the broadest sense of the term, a political struggle, is a grievous tactical error.

It is my conviction that if we are ever to liberate our race from the domination of International Jewry we must adopt the philosophy and strategy of the great white people's movement which attained victory (albeit temporarily) in Europe, and apply them, with alterations where necessary, to our American milieu. Accordingly, Adolf Hitler, discerning political as well as that he was, realized the folly of injecting religious matters into the political arena. In Mein Kampf he wrote:

"When Church dignitaries make use of religious institutions or doctrines to injure their nation, we must never follow them on this path and fight back with the same methods.

"For the political leader the religious doctrines and institutions of his people must always remain inviolable; or else he has no right to be in politics, but he should choose a reformer, if he has such it takes!" (Hitler's italics)

"Regardless how much room for criticism there was in any religious denomination a political party must never for a moment lose sight of the fact that in all previous historical experience a purely political party in such situations had never succeeded in producing a religious reformation. And the aim of studying history is not to forget its lessons when occasion arises for its practical application, or to decide that the present situation is different after all, and that therefore its old eternal truths are no longer applicable; no, the purpose of studying history is precisely its lesson for the present."

Mein Kampf, I:3

The important reason why religious controversy must be avoided, Hitler knew, is because of the tremendous dividing influence of such controversy:

"I do not hesitate to declare that I regard the men who today draw the folkish movement into the crisis of religious quarrels as worse enemies of my people than any international Communist. For to convert the latter is the mission of the National Socialist movement. But anyone in its own ranks who leads it away from its true mission is acting damably. Whether consciously or unconsciously is immaterial, he is a fighter for Jewish interests. For it is to the Jewish interest today to make the folkish movement bleed to death in a religious struggle at the moment when it is beginning to become a danger for the Jew. And I expressly call these words bleed to death; for only a man without historical education can imagine that with his movement today a problem can be solved which has defied centuries and great sagesmen."

Hitler's observations are possibly even more relevant to modern day America than they were to the Germany of the 1920's. For the one thing which prevents the overthrow of our Jewish race structure in this country today is the diversity of our white people. While the Jew encourages colored solidarity, he simultaneously encourages the political and social fragmentation of whites. Thus, we have the Democrat vs. Republican - liberal vs. conservative - labor vs. management - North vs. South - Catholic vs. Protestant splits upon which the Jew thrives. In view of these existing unfortunate divisions, it is insanity to worsen the situation by adding a "Christian vs. anti-Christian" disagreement.

It is safely said, I believe, that the overwhelming majority of clear thinking white people who profess to be Christians do not take that nonsense in the sermon on the Mount any more seriously than do you or I; they are, in essence, fulfilling a psychological need by belonging to and participating in their respective denominations. It is imperative that these people, among whom are many of our best racial elements, be informed about current political realities and then organized in a dynamic white people's movement. But by mounting an open assault against Christianity, to which so many whites have not so much a rational, as an emotional, attachment, you will only succeed in alienating vast numbers of racial comrades who otherwise could be won over to the racial nationalist point of view.

This is not to say that the churches should be exempt from criticism. Harmful policies supported by the churches should and must be exposed and condemned, but on racial, political, social, or economic grounds - not on religious grounds.

If you are of the opinion that the divisive nature of religious disputes is only theoretical, I ask you to consider the immediate small scale results of your new anti-Christian stance. The Pine-Bluff County branch of the N.Y.P., which has been making steady progress, has now completely and permanently collapsed. The Party members in this area who backed you on racial, political, and social issues, became alienated when you attacked their religion, and either have or shortly will resign from the existing political group disc.

If you really desire to be an effective fighter in the battle to preserve and renew our race and civilization, Mr. Klumpp, I respectfully urge you to reconsider the direction of your course upon which you have embarked.

Yours for Aryan Victory,

Dear Mr. Klamm,

Some time ago I received from you the publication "New
Order", containing the 14 points of the white Nationalist
Party

Please send me still further publications of the Nationalist
white party, so that I can picture better the activities
of your organization

Should you in exchange want publications of the "Nation
Right in Germany", please write to me, and I will be
at your service.

The political downfall of the N.P.D. can no longer be
doubted here, for the party has taken a reactionary, co-
servative course which is especially being rejected by
the youthful members of the party. It is no longer easy
to stand alone on the right, no, the socialist demands
of the young "Left" continue to become louder.

The resistance towards the procedure has contributed to
the quick end of the N.P.D., especially since the N.P.
began to retreat from different organizations of the
resistance, and in doing so, undermined especially
the resistance of the young generation

I shall presumably travel in the USA in a few days
and would be delighted if possible, to accept your
invitation to this town.

MISCELLANEOUS BACKGROUND

The morgue of the Miami Herald, a Miami, Florida, daily newspaper, as reviewed June 17, 1971, contained several articles referring to BEN KLASSEN between the period of September, 1965, and April, 1966. He is described in these articles as a member of the John Birch Society and as a "right wing conservative". It is also reported that KLASSEN was elected to the Florida State House of

Representatives in 1966 and was an unsuccessful candidate for the Florida State Senate in 1967. He was also described as the Florida State Chairman of the American Independent Party which supported the candidacy of GEORGE WALLACE for President of the United States in 1968. b7C

On September 23, 1971, [REDACTED] of the Pompano Beach, Florida, Police Department, advised that KLASSEN was known to him by reputation. He said that KLASSEN was active in the John Birch Society and was the Florida campaign manager for GEORGE WALLACE's Presidential Campaign in 1968.

b2 b7D ACTIVITIES

The United Klans of America, Inc. was chartered in 1961 in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters in Tuscaloosa, Alabama, and is currently active in several states.

He said that a 1968 Chevrolet automobile registered to BEN KLASSEN, 2510 N.E. 31st Court, Lighthouse Point, Florida,

MM 157-3464

was observed parked in the vicinity, although it was not known if the occupants of this car did attend this meeting.

b2
b7D

[REDACTED] advised on February 24, 1970, that on February 20, 1970, the National Socialist White Peoples Party (NSWPP) held a meeting at a private residence at Lutz, Florida, to welcome the Commander and Executive Officer of the NSWPP. Among those in attendance at this meeting were Mr. and Mrs. BEN KASSON of Pompano Beach, Florida. During this meeting the National Commander reported that the NSWPP was in a three stage program, with the ultimate objective of seizing political and military power in the United States. The first stage conducted between 1961 and 1968 was to educate the public on the NSWPP program. The second stage between 1968 and 1972 concerned the spreading of information and the recruitment of as many members as possible. The third stage, which was to begin in 1972, was the time for "direct action."

The National Socialist White Peoples Party, also known as the American Nazi Party, American Nazis, and the GEORGE LINCOLN ROCKWELL Party was organized on February 26, 1956, at Arlington Virginia, based upon the concept of an international "national socialist" movement as espoused by the German Nazi Party headed by ADOLPH HITLER. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media, seeking a legitimate, dominant political party in the United States and foreign countries.

On July 28, 1970, [REDACTED]

b7C

[REDACTED] Florida, advised that [REDACTED] BEN KLASSEN and his wife from Pompano Beach, Florida, to Tampa, Florida. He attended a NSWPP meeting at a private residence outside the City of Tampa with KLASSEN and his wife.

b7c
[redacted] described KLASSEN as a "right wing conservative, based upon the criteria of what people today consider to be a right wing conservative." He said KLASSEN told him that the Nazi Party had nothing to offer him and "I can't sell people on the HITLER thing." KLASSEN said he was going to join the National States Right Party (NSRP).

A characterization of the National States Right Party is contained in the Appendix of this report.

b2
b7D
[redacted] reported on March 18, 1971, that BEN KLASSEN is reportedly one of the two NSWPP organizers in the State of Florida.

[redacted] reported on June 23-24, 1970, that the NSRP held a convention at Grand View Gardens, Newport, Kentucky, on June 20 and 21, 1970. [redacted] reported that BEN KLASSEN, identified as a NSRP official from Florida, spoke before this convention on June 20, 1970. He said during this speech that the Jews are the real enemy of the United States. He said that he had been a member of the John Birch Society until he realized that they are a fraud and would not attack the Jews.

[redacted] further advised that during this NSRP Convention material was made available to the people in attendance, including a flier captioned "50 phony arguments used by Kosher Conservatives to confuse gentiles and protect the Jews". This flier was authored by BEN KLASSEN and another individual. It was an attack on the Jews and claimed, among other things, that communism is a Jewish conspiracy created to destroy the white race through "mongrelization, annihilation, and degeneration."

[redacted] and [redacted] reported on June 24, 1971, that BEN KLASSEN of Pompano Beach, Florida, spoke on June 27, 1971 at the NSRP Convention in Newport, Kentucky. KLASSEN stated he was a former member of the

John Birch Society and that he had given that organization over \$1,000 before he learned its leader was not telling members the truth about Jews being in the communist movement. He referred to the John Birch Society as the "Jew Birch Society."

b2
b7D [redacted] reported on February 22, 1971, that BEN KLASSEN of Pompano Beach, Florida, is organizing a new group called the Nationalist White Party (NWP). KLASSEN is a former member of the NSRP.

b2
b7D
b7C [redacted] advised on September 7, 1971, that BEN KLASSEN is a very wealthy individual who owns considerable property in Florida. He has subdivided some of this property and sells it as lots on a time payment plan. He operates his real estate transactions from a company known as Pines and Palms Ranch, Inc., 894 North Federal Highway, Pompano Beach, Florida. KLASSEN also receives royalties on an invention of the electric can opener. He is a former Florida State Legislator. He resides with his wife [redacted] at 2510 N.E. 31st Court, Lighthouse Point, Florida. They have one daughter who resides in Arizona. It is believed that KLASSEN was born in Russia and came to the United States at a very early age.

b2
b7D According to [redacted] KLASSEN devotes most of his time and efforts on behalf of "right wing" organizations.

[redacted] said that KLASSEN feels white Christians in the United States are being victimized by Jews, and Jews are behind communism, black militants, young revolutionaries, and all other radical groups with the intent of the eventual overthrow of the U. S. Government. White Christians are apathetic, unorganized and ignorant of the problem, and he is attempting to arouse them in order to serve the United States.

KLASSEN, according to [redacted] thinks ADOLPH HITLER was a very intelligent person who recognized the problem the Jews presented and his downfall was caused by the Jews with the assistance of white traitors.

b2
b7D

██████████ said KLASSEN believes Negroes are inferior beings, and he is opposed to all forms of integration.

██████████ said that late in 1970 KLASSEN formed an organization he calls the Nationalist White Party with the intent of alerting and arousing white Christians in the United States. The organization never did get off the ground or develop into an organization of any significance. The only thing it ever accomplished was the supplying of some anti-Jewish and anti-Black literature. No chapter or group as such ever developed anywhere. Only three applications for membership were received between the period of June through September, 1971.

According to ██████████ KLASSEN is currently writing a book in which his personal ideas and philosophies will be expressed. He hopes to have this book published within six months or a year. His time and efforts are now being devoted to the preparation of this book with the hope that it will create an interest in the NWP, so that it may in the future develop into a significant organization. ██████████ said that KLASSEN sees some fault in all "right wing groups" and apparently he attempted to establish his own organization.

██████████ said that KLASSEN published one issue of a news letter called "National Loyalty" which was described as a publication of the NWP. He has several hundred undistributed copies of this news letter in his book store.

██████████ reported on September 15, 1971, that the NWP is a propaganda and a letter writing organization. He said that BEN KLASSEN is the driving force behind the organization and has the title of National Director. The NWP does not hold any meetings and is of no significance, locally or nationally.

██████████ reported on November 24, 1971, that BEN KLASSEN continues to devote his time almost exclusively to the preparation of his book. He apparently has abandoned all efforts to develop the NWP at this time.

POLICE AND CREDIT RECORDS

The records of the Pompano Beach, Florida, Credit Bureau as reviewed on April 23, 1971, show that BEN KLASSEN of 2510 N.E. 31st Court, Lighthouse Point, Florida, is married to HENRIETTA KLASSEN. His name has been in the files of that office since March, 1959. His employment as of September, 1969, is shown as self-employed, Klassen Enterprises Inc., land investors. In 1959 his home was valued at approximately \$50,000 and his net worth was estimated to be over \$100,000. It is noted that he receives royalties on the invention of the electric can opener. These files note that he came to the Pompano Beach area from California.

The records of the Pompano Beach, Florida, Police Department as checked on September 27, 1971, show that BERNARD (NMN) KLASSEN, also known as BEN KLASSEN of 2310 N.E. 31st Court, Lighthouse Point, Florida, had the following arrests:

4/13/59: traffic violation; no disposition shown.

2/3/69: traffic violation; no disposition shown.

7/10/65: involved in an automobile accident.

KLASSEN is described as white, male, born February 20, 1918.

The records of the Broward County Sheriff's Office, Ft. Lauderdale, Florida, do not contain any information identifiable with KLASSEN.

Credit and police agency records in the Sacramento, California, San Francisco, California, Los Angeles, California, and San Diego, California areas, as well as the Denver, Colorado area, as checked during September and October, 1971, do not contain any information identifiable with KLASSEN.

APPENDIX1.NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

The following editions of "The Thunderbolt" advised of the indicated changes of address:

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Intelligence can be gauged by the percentage angle of the frontal brain. In the Negro, the fore brain is restricted.

- (1) The Negro's head shows the archaic form. The front of the Negro's skull is much smaller than the white neo's thus giving the Negro less room for the higher faculties, such as affection, self control, will power, reason, judgment, apperception, orientation and a feeling for the relationship of man to his environment.
- (2) Primitiveness determines the amount of intelligence that will be reflected just as the size and shape of a vessel determine the size and shape of the water in it. If this were not so there could be no law governing intelligence and one creature would reflect as much mind as another regardless of its construction.
- (3) The Negro's whole skull capacity is much under size as that the black brain weighs 35 ounces as against 45 ounces for the Caucasian brain.
- (4) In the Negro the cranial bones are very thick and the cranial sutures unite early in life. This checks the development of the brain and explains the sudden stunting of the Negro intellect shortly before puberty.
- (5) The Negro's hair is flat and without a center core or duct. It is not a true human hair but resembles the wool of the lower animals and it can be felt.
- (6) The Negro's eyeball is tinged with yellow as is the ape's. The jaws protrude so that the facial angle of the Negro is 70 degrees as to the ape. The white man's facial angle is 82.
- (7) The Negro's nose is concave at the bridge as is the ape's. The nostrils turn up and show the red inner lining. The lips are everted and show the red mucous membrane.
- (8) In the white man the alveolar arch and premaxillary bone of the mouth became shortened and widened and the tongue became shortened and more horizontally flattened which allows for greater refinement in pronunciation while the Negro palate and tongue remained ape like (macrodont) and he is unable to pronounce sibilant sounds. Sibilant sounds are unknown in Negro dialect.
- (9) The Negro carries stench glands as does the dog and in his natural state these may serve as a means of identification in place of a name. This stench (from extra sweat glands) is partly under control and is put out when the Negro is excited.
- (10) The black skin of the Negro has nothing to do with climate. It is caused by animal coloring matter, between the true and the effer skins. It is proved the world over that black and yellow skins are signs of mental and spiritual inferiority and that no tinged race can create a civilization.
- (11) A few muleteers may appear to be brilliant but this brilliance never allows them to invent or create which shows they have not bridged the gap between the black and white, for no archaic form can become modern.
- (12) The Negro is much closer to the ape than any other race physically and consequently mentally for form must determine mental and moral qualities and like must produce like. Every race is different physically and thereby mentally. With the Negro, the body - hence mind - is the lowest of all.
- (13) No amount of imitation and copying will instill a creative or inventive instinct into the Negro nor will education or sympathetic aid.
- (14) The Negro has had just as long as the white neo to develop. Tens of thousands of years have passed by and the Negro has not produced a civilization. Where is his art, his science, his religion? What signal aspect of civilization has he contributed to present day culture?
- (15) The Negro has no morals. He is not immoral but non-moral. Without the white man to control him the Negro reverts to savagery and practices torture, cruelty and witchcraft. The Negro is a natural cannibal and on his native doorstep may be found choice cuts of human flesh. In Africa the Negro even eats his dead relatives and will eat human flesh after it has become decomposed.
- (16) As the black genes of the Negro are more powerful than white genes - the Negro has thereby destroyed every white civilization that he has come in contact with or has left that civilization stagnant and rotting and dependent upon the last drop of white blood from outside to keep it going.

Mongrelization of the Races Would Destroy White Christian Civilization

Negro Is Related To Apes--

Not White People

THEY CAN RUN LIKE THE WIND, SCALE TREES
This is one of the few photos taken of a member of
Rhodesia's two-headed Vadam tribe.

Result Of Mating Of Ape With Negro Woman

Rare photograph of Julia Pestrane taken from
the Anthropological Institute of London, England.

new discoveries of negro
bes today find them still
living under stone age con-
ditions with features having
connections with the animal
kingdom.

This is the case with the
Vadoma tribe which lives
along the Zambezi river sepa-
rating Rhodesia and Mozam-
bique. They live in caves,
trees and antbear holes, in an
inaccessible jungle. They
have peculiar feet which are
not found on humans. A photo-
graph on this page shows the
feet splayed up the center
dividing them into two parts.
They have no normal toes.

Upon learning of this disco-
very, Liberals claimed this
was a deformity and that these
tribesmen are our "equal bro-
thers." Not so says Prof.
D. P. Abraham, history lec-
turer at University College of
Rhodesia. He says:

"The Vadoma tribes unusual

feet are definitely hereditary.
Their bone structure is quite
different from the normal be-
cause their feet split high up
on the instep and splay out in
two big appendages, like an
ostrich foot.

"I believe that the young-
sters of this tribe have a web
between their toes from birth
until they grow up and start
climbing trees. We believe
that there are about 100 of
them. They show elements
of very ancient Stone Age
features with strange wedge-
shaped faces. They have heavy,
broad cheekbones and unusu-
ally large eyes."

Prof. Dos Santos, a Por-
tuguese scientist says that
this strange tribe can run at
fantastic speeds. They do not
climb trees, but run right up
the side with their feet grab-
bing hold of the branches. "I
am convinced they can outrun
and outclimb baboons."

Negro Skull & Brain Still In Ape Stage

Long the argument has raged--
is the negro an Ape, or some
kind of sub-human? Many sci-
entists have investigated the rea-
sons why no negro has ever been
able to invent or create anything.
Why they have never contributed
to the development of any civil-
ization (according to Rhodesia
Tombes, world's greatest living
historian). Why is the negro so
savage and rebellious in our big
cities? First we look at the find-

ings of a noted investigator on the
negro brain, by William P. Pick-
ett.

By William P. Pickett,
Historian

The frontal region of the Ne-
gro Skull has been repeatedly
shown to be much smaller than
that of the white. Considering this
fact, the conclusion is reached
that the Negro has a smaller pro-
portion of the faculties pertaining
to the frontal lobe than the White.
The Negro then lacks reason,

CAN A NEGRO AND APE MATE

Next is the big question--can
the negro and Ape mate and pro-
duce offspring? The answer is
YES! Further proof of the close
link between Ape and negro is
the fact that no White person
has ever mated with an Ape and
produced conception.

In Mexico, some eedistic
scientists sought to prove this
theory and did mate an Ape with
e negro woman. A monster type
was born, e horrible half-Ape,
half-negro female. They named
her Julie Pestrane. Long dead
now, a photograph was made of
here and is reproduced on this
page from the Anthropological In-
stitute of London, England. She
was trained to wear clothes and
was taken care of by the Catho-
lic Church in Mexico.

NEGROES HAD TAILS

Another researcher, Mr. John
W. Marshall of Middletown, Dele-
ware has found an old issue of
"National Geographic Magazine"
which told about anthropologists
who discovered bones of an Afri-
can negroid tribe who had tails
and existed only a few hundred
years ago.

Another source, "Battle Cry"
magazine, Oct. 1964 issue, car-
ried an article by Dr. Winton
Frayle. He also revealed that
African Negroes have bred
successfully with Apes. This is
but all the more proof that Whitee
who engage in perverted unions
with negroes are committing the
crime of Bestiality. Negroes
should be reclassified zoologi-
cally as a distinct species of the
Animal world.

It is urgent that these import-
ant facts be brought to the atten-
tion of the American people im-
mediately. All parents must elert
their children not to believe
fuzzy-minded preachers and
teachers who tell them there is
nothing wrong with breeding with
Blacks. Negroes are a form of
animal and it is against the will
of God and nature to mate with
such creatures. It is specifically
forbidden in the Holy Bible. Cain
was punished by God for mating
with a regress. "Can the Afri-
can change his color" was
another warning of the Bible
against such acts.

Order extra copies of this is-
sue and help it attain the largest
possible circulation. We must
awaken the people to the unna-
turalness of inter-breeding and
destroying our race with negro
blood and genes. Sound the alarm!
The daily press will not print
this news for fear of retaliation
from negroes and blind liberals.
Here are the facts.

RE: BERNARD KLASSEN
EXTREMIST MATTERS -
WHITE HATE GROUPS

It has been previously reported that BERNARD KLASSEN of Lighthouse Point, Florida, operates the American Opinion Bookstore at Pompano Beach, Florida. During 1970 and 1971 he attended functions of various white extremist groups. It has also been reported that KLASSEN has corresponded with WOLFGANG KIRSCHSTEIN of Germany.

A confidential source abroad stated that KIRSCHSTEIN reportedly had attended meetings of the National Democratic Party (the ultra-rightist political party in West Germany), as well as other right extremist group meetings in West Germany. He has had contacts with "organizations of international fascism".

This source further reported that KIRSCHSTEIN has been identified in West German newspapers as having been arrested in 1963, at which time Nazi anti-Semitic hate literature was found in his possession.

The files of the U.S. Immigration and Naturalization Service, Central Office, Washington, D. C., as reviewed on February 22, 1972, show that BERNARD KLASSEN, born February 20, 1918, in Russia, while a resident of Saskatchewan, Canada, obtained a non-preference immigration visa to the United States on January 9, 1946.

KLASSEN was identified as a Canadian national and carried Canadian passport #418530. He was admitted under the Soviet quota and arrived in the United States at Cut Bank, Montana, on January 11, 1946. KLASSEN claimed to be of Dutch ancestry and to have been a resident of Canada since 1932.

RE: BERNARD KLASSEN

KLASSEN was described as male, 5'10", dark brown hair, blue eyes and dark complexion. His occupation is shown as electrical engineer. His mother was identified as SUSANNA KLASSEN of Saskatchewan, Canada, and his father was deceased. It was indicated that KLASSEN had accepted a position as field engineer with Bardwell and McAlister, Inc., Box 1310, Hollywood, California. An Alien Registration Form completed on January 24, 1946, showed KLASSEN's address to be 3074 West Avenue 35, Los Angeles, California.

These records further show that KLASSEN, under the name of BERNARD KLASSEN - PENNER, arrived in the United States on November 27, 1947, at Calexico, California, and was issued a non-quota immigration visa by the American Consulate at Mexicali, Mexico, on November 28, 1947, valid to March 27, 1948. KLASSEN was said to be a Canadian subject and presented an affidavit in lieu of a passport.

b7C His application for this visa shows he resided in Russia from birth until 1924; in Mexico from 1924-1925; in Canada from 1925-1946; and in the United States from 1946-1947. It further showed he was married to HENRIETTA MCWILLIAMS KLASSEN who was born at [REDACTED], and then resided at 231A North Kenwood Street, Glendale, California.

KLASSEN's parents were identified as BERNARD KLASSEN, father, and SUSANNA PENNER, mother (both deceased). Nearest relative outside the United States was named as HENRY KLASSEN of Saskatchewan, Canada. KLASSEN claimed to be a naturalized Canadian citizen and a Russian by birth. His occupation was given as real estate broker and he indicated his intention to join his wife in Glendale, California, and to permanently reside in the United States.

KLASSEN filed a Petition for Naturalization, #137632, on October 19, 1948, at Los Angeles, California.

RE: BERNARD KLASSEN

67C
His residence was shown as 392 North Euclid Avenue, Pasadena, California, and his occupation as real estate broker. His wife was identified as HENRIETTA MCWILLIAMS, born [REDACTED] whom he married on November 22, 1946, at Glendale, California.

KLASSEN became a United States citizen on November 26, 1948, at U.S. District Court, Southern District of California at Los Angeles and received Certificate of Naturalization #6741817.

Sources familiar with white hate group type activity in the South Florida area, when contacted during February and March, 1972, advised they had no information regarding KLASSEN's current activity or involvement in white hate groups. They also stated they had no information indicating KLASSEN was attempting to organize a group of his own or that KLASSEN had had any contact with individuals from other parts of the United States or outside of the United States regarding hate group activities.

MATHEW KOEHL, Leader, National Socialist White Peoples Party(NSWPP) traveled to Miami, Fla. on July 6. KOEHL was met in Miami by [REDACTED], a member of the NSWPP who resides in Venice, Fla. KOEHL stayed at the Algiers Motel in Miami Beach while he was in Miami. [REDACTED] returned to Venice on the same day, July 6, 1972. While KOEHL was in Miami, he met with an attorney whose last name is [REDACTED]. KOEHL desires that [REDACTED] defend members of the NSWPP if they are arrested for wearing their uniforms at the time of the Republican Convention in Miami. KOEHL distributed the following newsletter to members of the press in Miami.

NEWS

From the NATIONAL SOCIALIST WHITE PEOPLES PARTY

JULY 6, 1972 ---- FOR IMMEDIATE RELEASE

MIAMI BEACH -- Matt Koehl, Commander of the National Socialist White Peoples Party will call on Chuck Hall, mayor of Miami Beach this morning (Thursday, July 6) at 11am to offer the city "one hundred riot-equipped Stormtroopers to help protect White People during the conventions."

Commander Koehl will repeat to Hall the demands he made in a recent letter to the Miami Beach City Council. These were that the city make available camping facilities for up to 5,000 White Power demonstrators during the Democratic and Republican conventions.

The leader of the former American Nazi Party, based in Arlington Va also will ask Hall to waive an existing law against display of the Aryan Cross (Swastika).

"I realize he has a heavy Jewish constituency," Commander Koehl said of Hall in a recent news conference. "But at a time like this, the great Aryan majority in the United States expects to have its interests placed above purely local concerns."

"I hope the mayor will use his good offices to curb any anti-Aryan expressions, whether by Beach residents or by out-of-town, communist demonstrators," Commander Koehl added.
